

Bonnie has presented workshops for many groups across the United States and internationally. Any of the workshops below can be customized to your needs.

Contact workshops@bonniepomfret.com to determine what is best for your group, to get a quote, or to reserve your workshop.

1. **“Voice Power for Teachers” – Educator workshops**

You can learn how to use your voice more easily. Classroom teaching is very demanding for the voice. Less effort means more endurance!

This half-day workshop includes three one-hour presentations:

Basics of Voice Production (interactive)

Care of the Voice

How to Speak with less wear-and-tear on the voice (interactive)

Contact workshops@bonniepomfret.com to get a quote or reserve your workshop.

2. □ “Dynamic Voice” - Corporate / Sales Workshops

You’ve taken the software class. You’ve got the look. Your presentation is ready....

How do you sound? Vocal Image —the sound of your voice, its quality, how you inflect and phrase— can make or break a presentation. Learn what you can do to enhance your delivery, and have a voice you can depend upon to the very end!

“Dynamic Voice” approaches business presentation from the perspective of a stage performer and voice clinician. Content can include:

Voice Care – before the presentation

Producing a clear and attractive tone

Projection, inflection, and expression

Presentation techniques – add punch and personality

Workshops are available from one hour to full-day and can include individual coaching sessions. Contact workshops@bonniepomfret.com for a quote.

3. □ “Freeing the Voice with McClosky” – Introduction to McClosky Technique

A great workshop for a choral retreat, for singing teachers, for singers, or actors.

Basics of Voice Production (interactive)

Care of the Voice

Unify your Speaking and Singing Voices (interactive)

Finding Your Speaking Pitch (interactive)

Workshops can be customized to meet your group’s needs and can include a masterclass or individual coachings. Contact workshops@bonniepomfret.com for a quote or to reserve your workshop.
